Who's Who in Center Line and Warren Michigan Area

Listed with their accomplishments if known.

**This should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished, we could have a wonderful world.**

FREEDOM OF SPEECH AND MEDIA SAFEGUARD FREEDOM.

Our Constitution and Universal Declaration of Human Rights gives us many Freedoms. Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans all of which gave some and many gave all remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, etc.

And there are the greedy 1% who have excessive wealth yet won't pay the 99% a living wage. And many corporations make big profits but pay very little taxes. But the wealthy and corporations need to pay living wages to workers. In America we have the resources to provide everyone with adequate good food, clothing, shelter, affordable housing, medical care, education, training for jobs, and employment. At this time in history poverty is unnecessary, and unacceptable. No child should be without adequate food, clothing, shelter, medical care and good education.

Automation is here like it or not. Machines with computers and AI are replacing humans now and this will happen to most jobs. We need to have the government put up solar panels nationwide to get free power

daily. Have the electric companies buy this free power and put the huge profit into a fund and then give every citizen an equal financial credit. This could provide at least. minimum income for all citizens including children. All would still be free to work. Automation is already happening now and jobs are going to machines.

Wise management and science can solve problems. Why not have abundance for all?

In this Who's Who are listed young men and women. our brothers and sisters who have given their lives to pre-serve human rights and freedom around the world. We honor their memories and service. Some of them died in attacks such as did over 3000 innocent Americans in the 2nd WTC attack on 9-11 (the 1st was 2/26/93). Many more have been killed in additional attacks such as Boston massacre, mall bombers, road bombers, aircraft bombers etc. Remember the under-wear bomber over Detroit. (If his bomb hadn't fizzled hundreds in Detroit Area may have been killed.) Why have there been thousands of attacks (see Attacks in USA for actual list of attacks) on in-nocent people since 9-11 all over the world virtually all by members of the Terrorist Religion? This is an ideology which has been proven by their actions to be a growing threat to us, is anti-human rights, anti-equal rights for women, and anti US Constitution. Don't take our word for it just look at their actions in other countries. See for yourself at <http://www.thereligionofpeace.com/> Stop the killing. Stop the bombing. Stop the abuse of women. Stand up for freedom of speech and our Constitution. This is historically significant. Saving the lives of our children is important.

The following message from the grave stands out.

**DO GOOD WHILE YOU STILL CAN,
BEFORE ITS TOO LATE.**

**Behold and see as you pass by, as you are now, so once was I,
as I am now you soon will be, prepare thyself to follow me,
USE TIME WISELY WASTE IT NOT, AS SOON THIS TO WILL BE YOUR LOT.**

This book is not for sale. It is free to all. Note: This is a work in progress more needs to be recorded. All research is donated to our community without charge for the preservation of our history to future generations. The purpose is so that they can learn from it so they need not repeat the mistakes of the past and to preserve our Freedom.

McPherson, Helena Ann Bachand CLHS 1973 **Deceased Unverified** 7/19/55-10/08/11 ag 56, died Oct. 8 at Hospice of Northwest Ohio after courageously battling breast cancer. She was born in Highland Park, MI on July 19, 1955 to Macle and Ernest Bachand. On Dec. 24, 1975 she married her best friend and soul mate Ronald E. McPherson. Helena was a passionate social worker at the Department of Human Services, where she devoted her life to helping families in need. She cherished time spent with family and friends and enjoyed reading, knitting, fitness, and volunteering for Susan G. Komen for the Cure. Many people described her as being the nicest person they had ever met. She is survived by her husband Ron, son Joshua, daughter-in-law Mindy, daughter Rebekah, and son-in-law Bret Ingraham. Helena was preceded in death by her parents and her brother Arthur ("Bucky"). Just like she lived, Helena wanted a celebration in place of a standard funeral. A casual "celebration of life" will be held at the Ward Pavilion at Wildwood Metropark in Toledo, OH on Sunday, Oct. 23 from noon to 4 p.m. A picnic lunch will be served. In lieu of flowers, loved ones are asked to make a memorial donation. Helena strongly supported Susan G. Komen of Northwest Ohio but she would have wanted you to donate to a charity of your choice. Arrangements entrusted to Bedford Funeral Chapel 8300 Lewis Avenue, Temperance, MI. Online condolences may be shared at www.bedfordfuneralchapel.com.

METRO JOSEPH PRIV K 8 MI Inf. 2/1863 5/1863 Warren Civil War, A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was

found wrong with these memorials at a public meeting afterwards. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us for details.

Miller Arthur, Jr. Warren Council 1971-1976, Warren Mayor Jan 1 1957 1959-1961 As the guiding hand for a very distinguished Warren family, Arthur J. Miller left his mark all over the city before his early death in 1964 at the age of 42. Serving from 1949 as Justice of Peace, through the years of 1949-1956 as Supervisor of Warren Township and the shortened life of the Charter Township of Warren, he made his superb reputation

as a governmental leader and master politician in a non-partisan environment. He built a team of supporters admired by all of his losing opponents, and was easily accessible by citizens with special problems. He effectively worked to get a bond issue passed that supported the building of a municipal building, DPW garage, fire stations and a state-of-the-art wastewater treatment plant. Mr. Miller was in the lead when actions were needed to install the huge storm drains required to alleviate road and basement flooding (using the County Drain Commission as the mechanism to involve other communities that also benefited to pay proportionate costs).

There are a few pictures of this tavern in my history books. They sold Tivoli beer which later became Altes Beer. For a while the tavern was also called the Tivoli Tavern. I am awaiting more information from the family.

Miller Park located at Masonic Road and Regal Drive was named for Arthur J. Miller who was one of the youngest officials in the history of Warren. He was first elected as Justice of the Peace in 1947 at the age of 26. In 1949 he was elected Supervisor of Warren. He was re-elected in 1951, 1953, 1955 and then became the new City of Warren's first Mayor in 1957. He was re-elected Mayor in 1959, and then moved up to Macomb County clerk in 1961. He served in this position until he died in 1963. He was only 43 years old.

“His leadership was the primary factor in uniting Warren into a City.” According to Gerald Neil.

Miller, Arthur CLHS 1990

Miller, Arthur J. Sr The Arthur J. Miller park was named after him. The Warren Library dedicated Feb 1971 located first on Thirteen Mile at Cousino Drive and moved to the Warren Community Center on Arden was named after him.

Miller, Arthur J. Sr. Warren Justice 1947-48, Supervisor 1949-50, 1951, 1953-54, 1955-56 Also from the old timers I have talked to they all say Art Miller was a fine mayor. Warren Mayor Jan 1 1957 1959-1961 As the guiding hand for a very distinguished Warren family, Arthur J. Miller left his mark all over the city before his early death in 1964 at the age of 42. Serving from 1949 as Justice of Peace, through the years of 1949-1956 as Supervisor of Warren Township and the shortened life of the Charter Township of Warren, he made his superb reputation as a governmental leader and master politician in a non-partisan environment. He built a team of supporters admired by all of his losing opponents, and was easily accessible by citizens with special problems. He effectively worked to get a bond issue passed that supported the building of a municipal building, DPW garage, fire stations and a state-of-the-art waste water treatment plant. Mr. Miller was in the lead when actions were needed to install the huge storm drains required to alleviate road and basement flooding (using the County Drain Commission as the mechanism to involve other communities that also benefited to pay proportionate costs). It is generally agreed that his greatest accomplishments were related to how he guided the growth of the township into its birth as Macomb County's number one city. He took risks in urging that a charter township be formed and worked hard to make it happen while serving as supervisor. This change enabled Warren to lay the groundwork for transition to a municipality by organizing the basic infrastructure (both personnel wise and in building and utilities) to support industrial expansion and residential development. The Mayor was able to maintain good relations with Council to do these things, and he made certain that competent department heads in his administration were in place to make things happen when required. Art became Macomb County Clerk and he died still holding that office in 1964 at the age of 42. Paraphrased from Gerald Neil's Diary of a Politician. Fred Gemmill Quotes Gerald Neil in our Warren Historical 2006 recognition booklet "It just might have been that Warren would have prospered as it did had there been no Art Miller, but I'll never believe that. He not only led us out of the mud of the 1940s, he named the goals we should aim for and convinced enough leaders so that his dreams were carried on long after he died.: And those dreams are still being realized to this day! (Fred Gemmill.)

Moates, Gordon He is well remembered as a teacher at Busch High School. Later he became the principal. I remember he had a paddle in his office and on occasion a whack sound was heard coming from behind closed doors. I also remember he had this big hand held siren which was occasionally used for fire drills. There was a big Three foot escape tube slide from the second floor of Busch high School. Moravian Christian Indians had built by 1786 the first inland road in Michigan in order to carry their wheat to the mill on Tremble Creek. It ran 23 and one half miles from what is now Southwest Mt. Clemens along the south branch of the Clinton River, along Red Run, then heading south along Bear Creek down what is now Sherwood, then Southeast along Connor which was along Tremble's Creek now Connor's Creek to Tremble's mill. It was at the point where ten mile road crossed this old trail road that Kunrod's corners was established which eventually lead to the creation of Center Line.

Mueffels Henry Father was assigned to St Clement church in 1858 through probably 1868. At that time the parish extended from Woodward to Jefferson and from Eight Mile to Fourteen Mile. But the closest Catholic church was actually Ascension at Gratiot and six Mile Road. The record keepers one of which may have been him did not particularly strive to keep records in a clear readable form. When I transcribed the St Clement records many years ago it was not uncommon to have to spend many minutes trying to decipher names. They were particularly negligent in making the first letter of the name readable.

Murray, Marj City of Center Line Public Library Interim Director. Here is her autobiography: Marjorie Harriet ‘Marnie’ Grinols was born at Providence Hospital in Detroit on January 28, 1938 to Harold Bruce Grinols and Barbara Mills, who were also born in Detroit. She attended public and Catholic schools in Detroit and graduated from St. Ladislaus High School in Hamtramck in 1955 at the age of 17, where she was known as Margie. She married Arthur George Barrington in 1956 and they had 5 children: Donna, John, Paul and Pete (twins) and Kelly. They divorced, and Arthur died at age 31 in Detroit in 1965. By then she had already married Robert Paul Martuza in 1962 and they had 3 daughters: Julie, Christine and Brenda. The Viet Nam War had affected the family greatly, since Bob and two of her brothers were all there at the same time, and they divorced in 1976. She and Paul Robert Murray married at Greenfield Village in 1977 and remained life partners until his unexpected death in March of 2019. They had two daughters, Heather and Alison, and had moved to Center Line when Heather was 4 months old in 1978. Daughter Julie Martuza died of inoperable cervical cancer at the age of 25 in 1988; son Paul Barrington died of brain cancer in 2013. He was a master mechanic at Rinke’s in Center Line for 25 years. Son John Barrington died suddenly in 2017. So six daughters and one son survive. Marj joined the Rackham Symphony Choir and sang with them from 1974 till 1994. In 1998 she joined the Grinnell Family Association of America – remember the local music stores in Detroit, Grinnell Brothers – as newsletter editor for 20 years and is currently a vice-president and genealogy chair of the non-profit organization that traces their ancestral line back to Mathew Greenell, who settled in Newport County, RI in the 1630s. It took 8 years to achieve an associate’s degree at Macomb Community College in 1991, taking one or two classes at a time, and she was now known as Marj (spelling change reflected spelling of her grandmother’s name, who was also Marjorie). Working at the Book Store on campus at MCC for several years brought her to join the Friends of the Center Line Library when Anne Cross was the director. Anne hand-picked her employees and Marj was asked to join the staff. She worked at the library for 20 years, retiring officially in 2011, but continuing to work part-time at the circulation desk until the opportunity came about to be part of the county- wide Cooperative Library Board. This required a choice: stay an employee or serve at the county level with like-minded people who valued libraries and governed policies. The 3-year stint at the county was completed in 2019. In 2018 Marj had retired as President of the Friends after serving for 25 years, the only charter member still active, but remains a member of the Center

Line Library Commission. Daughter Heather Hames was the director of the library and recreation department for 8 years. So it was that Marj and Heather became part of the Historical Society of Center Line. History and genealogy were Marj's interests and Heather was in a perfect position to help organize the Society, which met at the library once a month to plan ways to preserve information about Center Line's people, the history of its older homes, and share it with the community. Center Line has many stories to tell...

Murthum family was a pioneer family who settled in the area of the Warren Village. Murthum Street was named after the Murthim family.

Murthum The House located at 5820 Murthum was built in 1895. This is a combination Greek Revival and Queen Anne (noted for gables, dental moldings, fish scale shingles and fretwork) design. Several acres of land were used for the William Murthim School which was also known as Victory School.
